### What is Peer Ministry?

It is the story of the good Samaritan. Only instead of preaching and teaching it, you get the skills necessary to live it!

### What other teens are saying about Peer Ministry...

*I had no idea how much I would learn and that I would actually use what I learned in everyday life. Peer Ministry has helped me become a better person in all areas of life.— Brad*

*I've never been a very open, confident or outgoing person, but Peer Ministry has changed me. When my friends are in need of help, I have the knowledge and skill to help them in real ways. - Jasmine*

*I built up my growth in faith. I learned the openness of myself. I learned how to share others problems and leaned how to trust others. - Alpha*

### Two Peer Ministry Tracks offered:

- ◆ PEER MINISTRY I  
You will enhance your skills of listening, helping peers and communication. You will discover how caring relationships are a vital ministry.
- ◆ PEER MINISTRY II  
For those who have completed PM I. You will learn more skills for sharing your faith, addressing sensitive issues and dealing with difficult people.

### What will we be doing during this weekend...

- ◆ Attending peer ministry sessions with topics including: welcoming a stranger, listening skills, decision making, values, choices, and sharing your faith.
- ◆ Serving the people of our synod through a service project!
- ◆ Free time each day
- ◆ Great food and fellowship

*We equip people with Christ-centered training, resources and support to be Peer Ministers.*
