Mission Statement

Realizing that we have been baptized in the name of the Father, the Son and the Holy Spirit, and being faithful to our baptismal promises, we state the following:

- **It is our mission to proclaim the Good News of Jesus Christ among the Hispanic Community in the NT-NL Synod,**
- **It is our mission to strive for justice and peace, among our brothers and sisters, and**
- **It is our mission to assist the Synod in determinate the Hispanic Ministry mission opportunities**

Who we are?

We are a resource group of Hispanic and Anglo Lutheran leaders and congregations building bridges within our cultures with deep concern in the development of Hispanic Ministry and the formation of Hispanic Leaders for the Northern Texas—Northern Louisiana Synod

What we do?

We provide a forum for Lutheran churches currently doing ministry among Hispanics or considering doing it in the near future, to learn from our experiences into guidelines to do mission effectively

What is the purpose?

- To support and mentor new pastors
- To help understanding of Spanish Worship, and other liturgical rites and festivities
- To help in the Catechism program and faith formation in the Hispanic community
- To promote leadership development opportunities for both lay and clergy
- To help in the Social Ministries within the Latino communities
- To support other Synods in mission with the Hispanic Ministries

Our Goal is to support the development of Hispanic Ministry in the NTNL Synod, working to strengthen existing ministries so they become active and can multiply into new ministries of the ELCA
