

Northern Texas-Northern Louisiana and the ELCSL Jubilee Lutheran Centre in Freetown, Sierra Leone

In 2002 we broke ground for the Jubilee Lutheran Centre, located on Parliament Hill in downtown Freetown. This Lutheran Church will be the center of Lutheran outreach and evangelism in Freetown and will serve as a Mission Center for the Evangelical Lutheran Church in Sierra Leone, West Africa, our Companion Church.

Construction has been ongoing as funds have been available, and the people of NT-NL have provided over \$ 600,000 for this project. It will take about \$ 300,000 more to complete construction and to make the worship center operational. This is a tithe of the \$ 3 million goal of DiscipleLife Alive!

The Center will provide worship space for nearly 1,000 plus a school, a medical center, an outreach center, and a community center for Freetown. It will serve as a beacon to the Sierra Leone people that Lutherans, who have only been in Sierra Leone for the

past 20 years, are here to stay. It is anticipated that we will take a mission trip in February 2012 to celebrate the dedication of the Jubilee Lutheran Centre.
