

CREDIT CARD DONATION

Once again, thank you for your pledge/donation to *DiscipleLife Alive!* It is an exciting time to be the Church in mission in the light of Christ.

You have indicated that you desire to donate using your credit card. Here is how it works. Go to the NT-NL website (www.ntnl.org) and roll the mouse over the DiscipleLife option on the top menu bar. Click on DiscipleLife Alive in the drop down menu that appears. About half way down on the right hand side of the web page you will find a 'DONATE' button. Click on that button, and it will take you to the payment page.

- This is a secure web site for using your credit card.
- You do not need a PayPal account to use your credit card.
- Unfortunately there is no way to set up automatic payments using your credit card. Automatic payments can be set up by contacting your credit card offices.
- Note: there is a limit of \$2500 per transaction. If you wish to give a large sum, you will need to divide your gift into several payments. Beware that your credit card may not let you do this more than one transaction of that size per day.
