

# PARISH LAY MISSION ACADEMY

Sunday, May 18

For over twelve years, the **Parish Lay Mission Academy** of the Northern Texas-Northern Louisiana Mission Area has equipped lay members to grow in personal knowledge of the faith, to serve in local congregations, and to empower persons for God's call to mission for the world.

Over 125 persons have completed the two-year program for study, including courses in Bible, leadership, prayer and worship, church history, and theology.

Most graduates (Parish Lay Ministers) are engaged in greater participation and leadership in congregations across the Mission Area. All congregation members are encouraged to apply for entry in the next session's class!

New this year, the **Parish Leadership for Mission Academy** has begun preparing parish leaders for missional change.

On this third Sunday in May, please join us in praying for the graduates and leaders of the Parish Lay Mission Academy and the Parish Leadership for Mission Academy.
