

A time of conversation, relationship, and learning

Join us for our on-going discussions as we continue to dream together about the mission and ministry of the Northern Texas-Northern Louisiana Mission Area.

Reviving the Congregation

How do congregations thrive and grow? How do pastors and lay leaders experience the on-going presence of the Holy Spirit in ways that renew them personally while giving them vision for the future?

The Rev. Dr. Michael W. Foss has come to believe the answers to these and related questions emerge from within the soul of leaders.

The presentations and conversations will focus on leadership, partnerships, and building a culture of energy, focus and momentum.

Reviving the Congregation: Pastoral Leadership in a Changing Context by Michael W. Foss is available for purchase as a paperback on Amazon or FortressPress.com, or as an ebook.

The Use of the Means of Grace

The ELCA statement “The Use of the Means of Grace” describes the theological principles and practical applications of the sacraments in the ELCA, but the reality is that there are a wide variety of practices across the church.

Join ELCA Director for Worship the Rev. Kevin Strickland for conversation about sacramental practice and ways to provide pastoral care that is theologically grounded.
