What is Peer Ministry?

It is the story of the good Samaritan. Only instead of preaching and teaching it, you get the skills necessary to live it!

What other teens are saying about Peer Ministry...

I had no idea how much I would learn and that I would actually use what I learned in everyday life. Peer Ministry has helped me become a better person in all areas of life.— Brad

I've never been a very open, confident or outgoing person, but Peer Ministry has changed me. When my friends are in need of help, I have the knowledge and skill to help them in real ways. - Jasmine

I built up my growth in faith. I learned the openness of myself. I learned how to share others problems and leaned how to trust others. - Alpha
