

Hundreds of men have already experienced One Year To Live. Here's what they're saying...

"Like most men I used to have only passing conversations with other men at church.

Now I have brothers in Christ."

Wow, I had no idea how powerful the OYTL experience was, and still is, in my life. I found a true band of brothers and developed friendships that have just grown richer over time."

"What I thought were my biggest liabilities are my greatest assets. I can share them with others to give them hope."

"The OYTL retreat allowed me to not only realize how much pain I buried, but also how to accept healing through the word of God and communion with other holy men."

"You will come out of the weekend a better man. I totally recommend this weekend if you are serious about renewing your life."
