Building Congregational Capacity for Hispanic Ministry Misión en Comunidad/Mission in Community

Level II LSPS Intensive

This Level II Intensive is designed for congregational leaders in those congregations where consideration is being given to starting Hispanic Ministry in their community.

Teams of three from congregations are encouraged to attend. Teams will learn:

- To increase capacity for doing Hispanic ministry
- To learn several models for engaging in Hispanic ministry in congregational settings
- To improve facility in Spanish language, especially liturgical Spanish
- To build a cohort of colleagues preparing for Hispanic ministry within their community
- To avoid cultural violence in mission development

The main presenter is Rev. Rubén Durán with several outstanding guests sharing models for Hispanic Ministry. The Rev. Ruben Duran serves as Director for New Congregations in the Congregational and Synodical Mission unit of the Evangelical Lutheran Church in America. He is responsible for promoting the development of Synodical mission strategies, local initiatives and emerging models for the multiplication of new communities of faith in the USA and the Caribbean.
