*Mission Endowment Fund – Northern Texas-Northern Louisiana*

## **END OF YEAR GIVING**

Do you have some funds available which you would like to donate to a worthy cause? Remember the Mission Endowment Fund. All donations are invested, and the interest is used to provide grants to ministries in the Northern Texas-Northern Louisiana Synod. The board has allocated \$69,000 in its 2017-18 budget for these grants. Your contributions are appreciated.

Many congregations in the synod provide a one-time gift to the Fund at the end of the year from their benevolence budget. Can you help grow the fund to our next goal of \$2 million dollars?
