

# THE CHURCH OF THE DAMASCUS ROAD GOLF OUTING AND FUND RAISER

The Church of the Damascus Road is a ministry that assists those people that are imprisoned as well as those that are out and trying to start over. This Ministry is in the need of funds to continue to provide services to the members of the church and to grow the ministry to help those struggling. We hope that you will join us in a day of golf and support of the important work being done!
