Presents a Reformation Celebration with

DFW BRASS & ORGAN

October 29, 2017 marks the 500th anniversary of the Reformation. What better way to celebrate than with an organ and brass concert, featuring one of the top brass ensembles in North Texas!

DFW Brass will perform alongside organist Jordan Smith in a concert that will include music for brass and organ as well as solo pieces. You can be sure to hear a little Bach and sing Martin Luther's famous hymn, *A Mighty Fortress Is Our God* with organ and brass at full tilt!
