

The Spiritual Discipline of Creation Care

NT-NL Public Witness is sponsoring an online series of workshops that explores our use of the gifts of creation. Through small group activities and short presentations, you will discover how daily use of the gifts connect us and will reflect on using the gifts in ways that love God and neighbor. By doing so, your daily actions can become spiritual practices that lead to wholeness of life for us and all of creation.

The series is offered on Saturday mornings and Tuesday evenings. Each workshop stands alone and is limited to 12-15 participants.
