

Lutheran Disaster Response in partnership with Lutheran Social Services Disaster Response is inviting you to attend the following webinar which will teach basic skills for cleanup of homes post disaster. Given the recent winter storm and the need for volunteers in communities to assist their neighbors, please join us to learn more about how you can help in times of need either through your local volunteer teams or just to help a neighbor.

Disaster Response Muck and Gut Webinar

Friday March 12, 2021

10:00 AM-12:00 PM Central

This two-hour webinar includes the basic issues that need to be addressed before starting the Muck and Gut of a home impacted by a disaster.

Volunteers are an important piece in the clean-up of a community impacted by a disaster. Forms identifying volunteer skills, client information and release forms will be reviewed. We will discuss the safety issues that need to be assessed before, during, and after the clean out of a home. We will also look at some of the steps that can prevent the damage of a residence in freezing temperatures and other preventative steps that can be taken to reduce damage.
