

Pastoral Care Training for Suicide Prevention

QPR stands for Question, Persuade, and Refer — the 3 simple steps anyone can learn to help save a life from suicide.

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying “Yes” to saving the life of a friend, colleague, sibling, or neighbor.

Area faith leaders, pastoral care givers, ministers and church staff, are welcome to join us for this FREE training session.
