

NTNL Youth Leaders & Pastors,

We are excited to announce that we are collaborating to host two NTNL events this year! We will be offering **PEER MINISTRY LEADERSHIP TRAINING** (limited to 6-7 per congregation) in January. This is an event that Pastors / Youth Leaders identify young people and invite them to attend. We will also be hosting a **JUNIOR HIGH & SENIOR HIGH YOUTH GATHERING** in February.

On Monday, September 12, pastors & youth leaders will gather at 10:30am at Jam & Toast (3351 Regent Blvd, Suite 140, Irving) for brunch to brainstorm for the February Youth Gathering. It will be in person with a Zoom option (not ideal for a public location, but ....).

Links with details & registration info for these two NTNL events are in this email, along with attachments for the paper copies of these forms as well.

Peace from your colleagues!

**Important PEER MINISTRY ANNOUNCEMENT!** The NTNL does Peer Ministry in two years. Due to the pandemic, young people that are currently seniors in high school have no way to attend PM I & PM II in January. So, we will be offering a special consolidated Peer Ministry I session for current high school seniors **Sunday, December 11 from 10am-6pm at Calvary in Ft. Worth.** They can then take Peer Ministry II January 6-8. Peer Ministry teaches great "life skills" as well as ministry skills and looks great on college applications as a bonus! This is being gifted so there is **no cost** to our NTNL seniors! Pastors & Youth Leaders please email [janellemiller@yahoo.com](mailto:janellemiller@yahoo.com) to reserve a spot for your senior. They can sign up for Peer Ministry II by Nov to get the early bird price for that January 6-8 session.
