

The NT-NL Mission Endowment Fund 2023 Grant Award Recipients Official Announcement

Today, on behalf of the Mission Endowment Fund, I awarded grants which will be applied to outreach ministries as requested by NT-NL congregations. Ministries ranged from Food Pantries to Organizing Retreats, from Feeding the Homeless to expanding online worship and from upgrading audio/visual equipment to refugee initiatives.

The Mission Endowment Fund, as part of the NT-NL Synod of the ELCA, offers this annual monetary award to provide congregations means to begin or to continue important ministries that may not receive funding otherwise.

By God's grace and blessing, we provided funding to these amazing congregations and prepare to watch their ministries grow in the next year.
