

ELCA Fund for Leaders

The ELCA Fund for Leaders scholarship program supports students of tremendous promise attending ELCA seminaries. By making seminary more affordable, the ELCA Fund for Leaders enables more future ministers to go to seminary and helps them graduate with less debt, empowering those whom God calls into ministry to go and serve as the church needs and the Holy Spirit leads. In the 2022-23 academic year, the ELCA Fund for Leaders provided scholarship assistance of more than \$3.4 million in support of 375 future pastors and deacons.

We are church, and each of us has a unique role to play in furthering the mission and ministry of the church. [Your gift to the ELCA Fund for Leaders ensures that highly talented individuals will be able to answer the call to leadership for this church and for our future.](#) By designating those gifts to the NT-NL Synod Fund for Leaders, you are specifically helping seminary students from this synod in future years.

We are grateful that the Northern Texas-Northern Louisiana Synod Fund for Leaders has provided a total of \$55,266.61 in scholarship awards since its inception. While the amount available each year varies due to investment outcomes, during the 2022-23 academic year, the generosity of donors helped provide a total of \$6400 in scholarship support. We are also grateful for a separate scholarship in the name of Ascension Lutheran Church in Garland that has funded a total of \$11,700.00, with \$5100 of that in 2022-23. They have left a legacy to their congregation that will continue to live on through this named scholarship for years to come.
