CONSIDERATIONS REGARDING OUR CONTEXT

How important are your views about religion to your identity and how you think of yourself?

LOOKING FORWARD TO 2025 AND BEYOND

Continued Areas of Emphasis...

- Raising up leaders (lay and rostered) who are creative and collaborative.
- Openness to new possibilities and partnerships.
- Engaging our communities and sharing the gospel boldly.
- Centering our lives and our actions in the gospel.

Remembering our Unity is in Christ, Given by God through Baptism,
empowered by the Holy Spirit
