

Dear Bishop,

Ref: Christ is risen! Alleluia!

On this blessed Easter season, I extend my heartfelt greetings and warm wishes to your family, sisters and brothers in the Synod and you. May the joy of the risen Christ fill your heart with renewed strength, peace, and hope as you continue to lead God's people with wisdom and grace.

May the victory of our Lord Jesus Christ over death inspire and strengthen you in your ministry, and may His resurrection power continue to guide the work of the Synod and the entire Church.

Bishop, I understand the global crisis and appreciate your support but honesty bishop if you did not come to the aid of ELCSL ministry is going to be a disgrace. Running cost of the office, staff salaries, purchase of additional drugs and payment of supporting staff in the clinic will be difficult and without help over time will be impossible.

Wishing you and your family a joyful, peaceful, and blessed Easter celebration.

Yours in Christ,

Bp. Momoh
